2

The screenshot shows a Microsoft Internet Explorer window with the URL <http://gcsonline.gcsnc.net/>. The title bar includes standard icons for back, forward, search, and refresh, along with a maximize/minimize button and a close button.

The menu bar at the top of the page includes File, Edit, View, Favorites, Tools, and Help. Below the menu is a banner with the text "GCS Online" and "Striving. Achieving. Excelling." followed by a large "GCSOnline" logo.

The main content area features a "Filters" section with three buttons: "Academically Gifted", "English as a Second Language", and "Assessments". To the right of these filters is a login form with fields for "Login:" and "Password:", and a "Login" button.

A sidebar on the left lists several categories: Main Menu, Facts and Figures, Administration, At Risk, Attendance, Courses and Grades, Student Assignment, and Student Demographics. The "Administration" link is currently selected.

The central text area contains two paragraphs. The first paragraph describes GCS Online as a comprehensive look at Student Information for the Guilford County School system, mentioning access to modules for specific departments and links to common data sources. The second paragraph states that GCS Online is an evolving repository of data and reporting tools, with the Student Information Division providing new features and resources.

Would you like to store your password for gcsnc.net? Why am I seeing this?

Student Demographics

GCS Online offers a comprehensive look at Student Information for the Guilford County School system. With a standard login, users have access to all modules that pertain to their specific departments' areas of interest. There are many areas of facts and figures to assist in the daily questions that are asked and with links to many common and/or public data sources. Due to the sensitive nature of the student data contained within GCS Online, it is only available to users through the Guilford County Schools network.

The Student Information Division will continually provide new features and resources to the existing format.

# Administration Screen

- Used to provide access to database

AG Admin = central office team

Teachers = elementary + middle AG teachers + contacts

View only - access given to principals, school admin

Currently, we have AG teachers who are assigned to more than one school. The system will not allow us to give them access to two schools. We are forced to give them administrative access so that they can access both schools - not good because they then have access to all.

In compliance with federal law(s), Guilford County Schools administers all educational programs, employment activities, and admissions without discrimination because of race, religion, national or ethnic origin, color, age, military service, disability or gender, except where exemption is appropriate and allowed by law. Refer to the Board of Education's Discrimination Free Environment Policy A.C. for a complete statement. Inquiries or complaints should be directed to the Guilford County Schools Compliance Officer, 120 Franklin Boulevard, Greensboro, NC 27401; 336-370-2323.

This screenshot shows a web browser window displaying the Guilford County Schools website. The URL in the address bar is <http://gcsconline.gcsnc.net/all/studentssearch.aspx>. The title bar of the browser says "Academically Gifted module X". The main content area features the Guilford County Schools logo and the slogan "STRIVING. ACHIEVING. EXCELLING.". Below this, there are links for "home", "student management", and "reports". A large heading "gcs online academically gifted module" is displayed. To the left of the search form, there is a "Student Search" section with instructions: "To search for a student record, please enter at least one search criteria below, then select Search.". It includes fields for "Student ID", "Last Name", and "First Name", each with a corresponding input box. Below these fields are two buttons: "Submit Search" and "Clear Form". At the bottom of the search form, there are links for "Home", "Student Management", and "Reports". A small note about federal compliance is present at the bottom of the page.

- Maintain current functionality that allows us to enter a portion of a name and it provides expanded list
